MAGIC TENNER TOWN

#MAGICTENNER

**LOADS OF FAB £10 SPECIAL OFFERS
IN OUR LOCAL INDEPENDENT SHOPS & BUSINESSES.**

MARCH 1ST - 16TH

And when you spend £10 with those businesses, up to £50 goes back into our local economy* That's the magic of shopping Totally Locally!

BUY NICE THINGS FROM YOUR LOCAL ANYTHING! KEEP TADCASTER THRIVING.

* Figures based on research by The New Economics Foundation www.pluggingtheleaks.org This is because local independent businesses tend to spend with lots of other local businesses, so the money goes around and around in our local economy, unlike when

you spend at a big chain store, national supermarket or online, where most of the money leaves our town. When the money circulates, the amount spent locally grows. Simple really!
