Awards for all!!

Tadcaster volunteers recognised amongst the very best in North Yorkshire

Tadcrafters

Tadcaster's very own Tadcrafters were recently announced as winners of the Yorkshire Post's Rural Award for "Community Group of the Year" at a black tie event at Pavilions of Harrogate hosted by BBC broadcaster Harry Gration. The award, which was open to organisations right across Yorkshire, was received from category sponsor Robert E Fuller, by the directors of the not-for-profit community interest company, Lynne Howard and Su Morgan, on behalf of many volunteers. "We are all volunteers in Tadcrafters.

Receiving this award is recognition of, and a reward for, all the hard work we do to make a difference to many people's lives" said Su.

Tadcrafters create beautifully hand-crafted items mostly from materials that would otherwise be thrown away. Volunteers are supported to develop and learn new skills so that all levels can work on a variety of

projects. So far these have included around 300 bags for St Leonard's Hospice (to return belongings to bereaved relatives), over 70 heart-shaped cushions (for breast surgery patients), over 150 twiddlemuffs (that help to calm people with dementia), 100 washable feminine hygiene kits (so that girls in developing countries can go to school while menstruating), 100s of hats, scarves and blankets that have gone to food banks and homeless charities, and they have also supported many other worthy causes. They have made over 3500 poppies for the WWI 100 year commemoration displays in Selby Abbey and the Riley Smith Hall for the Armistice Proms and can be seen throughout November.

The group meets for a drop-in session 10am-4pm on the second Tuesday of the month in the Manor Farm Centre (opposite John Smith's brewery) in Tadcaster, but many volunteers make things at home and join in that way. The next sessions are November 13th and December 11th and new volunteers are always welcome (NB the entrance to the building is at the back). Details of all their projects and how to support the group are available on their website www.tadcrafters.org.uk and can be followed on Facebook and twitter.

Again hosted at the Pavilions of Harrogate, on the 26th October, the town's event management team, TEMPT, were honoured with receiving the runner-up award for Best Community Group in the County at the North Yorkshire Partnership's Community Awards ceremony. Receiving the Award on behalf of the team were Steve Cobb, David Gluck and Kirsty Perkins.

The 3 were presented the Award by Kim Leadbetter, sister of Jo Cox MP, in recognition of the work undertaken since the re-opening of the Bridge in February 2017. TEMPT has co-ordinated a range of events since that day and has huge plans for 2019. "It's a big year ahead for us" says Kirsty, "we're busy planning our next

Heritage Day and Lantern Festival in February, the first ever Soapbox Derby in June and Cycling Festival in September when the World Championships come to town." TEMPT does its work by bringing together organisations like the Flood Action Group, Community Swimming Pool, Tadcrafters, Riley Smith Hall and many others to put on great events

which hope to attract new people into the town as well as making Tadcaster a vibrant community to live in.

Tadcaster & Villages
Community Engagement Forum

Tadcaster and Villages Community Engagement Forum (CEF) covers the following parishes: Appleton Roebuck & Acaster Selby; Barkston Ash; Biggin; Bilbrough; Bolton Percy; Church Fenton; Colton & Steeton; Healaugh & Catterton; Little Fenton; Newton Kyme cum Toulston; Oxtun; Saxton with Hazlewood; Tadcaster; Towton, Grimston & Kirby Wharfe with North Milford; and Ulleskelf.

Next Public Forum

Our next Public Forum takes place on Monday 14th January at 6.30pm at the Riley Smith Hall. This will be focused on health and fitness with information about the latest activities taking place run by Inspiring Healthy Lifestyles. The evening will also include a practical seated chair exercise class – ahead of the launch of a new group to take place in Tadcaster.

Community Funding

The CEF receives an annual budget that it can distribute to groups and organisations within the area. There are two types of funding available; grant funding and project funding.

This is a wonderful opportunity to develop new ideas, purchase essential equipment or help to fund community initiatives. Assistance is available to help you plan and complete your application.

How do you apply?

You can find all the relevant information and forms from: www.selby.gov.uk/cefs/funding

A New Year For 2019

The event will include a faster chair based exercise class, led by qualified Fitness Instructor, Elliot
www.northyorkshiresport.co.uk/strong-and-steady
Inspiring Healthy Lifestyles (IHL) will also talk about their other health/physical activity services.

"Inspiring healthy lifestyles (IHL) are the delivery partner for the Strong and Steady programme in the District of Selby. Their classes aim to build strength and balance in people aged 65 and over through a variety of exercises. In September 2018 IHL launched their first classes, one taking place at Selby Town Hall and the other at Sherburn Community Centre. They are now looking to develop the programme to include a class in a Tadcaster community venue".

Monday 14th January 2019 at 6.30pm
Riley Smith Hall, 28 Westgate, Tadcaster, LS24 9AB

Also at the event you will have the opportunity to speak to your Councillors, staff from Selby District Council, North Yorkshire Highways, North Yorkshire Police, and other Community and Voluntary Organisations

Prepare for the festive season at Bolton Percy Christmas Market

The beautiful Grade I listed All Saints' Church in the Ainsty village of Bolton Percy will once again be home to this year's Bolton Percy Christmas Market.

Held on Saturday November 24th from 1pm to 4pm, there will be lots of stalls - many new for 2018 - showcasing locally-produced home and garden decorations, tasty cheese and chutneys, plus toiletries, jewellery, gifts for all the family, cards and wrapping paper. There will also be lots of home baking so you can treat yourself to something yummy, and Santa himself will be making an appearance between 2pm and 3pm!

As usual the church will be beautifully decorated for Christmas to create a festive atmosphere, and this year shoppers will be treated to a rousing performance by Appleton Roebuck Primary School choir from 3pm.

This will be the sixth Christmas Market to be held in the village of Bolton Percy, and each year the event becomes more and more popular attracting visitors from far and wide.

So why not head along to the Bolton Percy Christmas Market where you can spend time in the fabulous historic church, make a start on your Christmas shopping and have some fun!

Bolton Percy Christmas Market, Saturday 24th November 2018, 1pm-4pm, All Saints' Bolton Percy.

£2.50 per person entrance fee, children under 11 get free entry. Santa's Grotto open 2-3pm, Santa tickets cost £3.

Tadcaster Civic Service 2018

The annual Civic Service is hosted by the Mayor of Tadcaster and brings together local Civics as well as Councillors and representatives from local groups and organisations. The service was held in St Mary's Church and followed by refreshments at the Old Boys' Sunday School. As well as a celebration of the work that is done by local groups and volunteers it is also an opportunity to raise money for charities. The collection in Church and a raffle raised £350 for the Mayor's chosen charities, which are Dementia Forward and St Leonards Hospice @ Home.

Tadcaster Remembered Them

On Sunday 11th November Tadcaster commemorated the 100th Anniversary of the end of the First World War.

The Remembrance Day Parade saw a great gathering of the military and uniformed services led by the York RI Golden Rail Band. They paraded to St Mary's Church to join a packed congregation for the church service, which was also broadcast to a packed Sunday School. Following the Church Service the parade marched to the War Memorial, met by more residents joining to commemorate our fallen Heroes and marking 100 years since the

guns fell silent. Over the past 4 years the names of those who died in 1914 – 1917 have been read out.

This year the list of those who died in 1918 and 1919 were read out to complete the list of those who are remembered on the War Memorial. You can see the complete list of the names on this page and they can, of course, be viewed on the War Memorial.

Tadcaster also took part in the "Battle's Over, a Nation's Tribute" by the lighting of the Town's Beacon on the evening of 11th November, which symbolised the 'light of hope' that emerged from the darkness of war.

Walking for Health – come and join us!

A group of local Tadcaster residents have recently been trained as walk leaders for Walking for Health, a scheme supported by Tadcaster Medical Centre.

Walking for Health is England's largest network of health walks with over 375 active schemes, helping people across the country lead a more active lifestyle. They have been active for over 14 years, improving the mental and physical well-being of thousands of people. Walks are short and over easy terrain, and are open to everyone but are especially aimed at those who are least active.

They are a friendly bunch and you may discover and learn about bits of Tadcaster that you haven't seen before. The Tadcaster walks start at 10am from the roundel in the Bus Station, near the Medical Centre and usually end at a nearby café.

The next walks planned are:
Friday 23 November
Friday 7 December
Friday 25 January

If you would like further information go to www.walkingforhealth.org.uk and search for Tadcaster.

River Wharfe flood defences - update

The Environment Agency and Breheny Civil Engineering have been working together to carry out scheduled maintenance works on the flood defences in Tadcaster.

The current earthwork embankments on the west bank have been re-profiled / brought back to their original design level, and any damage repaired.

This has also included the crest width being increased providing a better footpath facility for the community to enjoy views of the river. During the works temporary sandbag defences were installed to ensure that the flood defence standard was maintained. However due to several issues the work took longer than was originally planned. But we are happy to say that, apart from some minimal fencing to protect the turf

whilst it settles, the works have now been completed.. We apologise for any inconvenience caused during these works and appreciate your patience. We continue to work with the town council and flood action group to help raise awareness of and resilience to flood risk in the town. And will keep you up to date with any future plans for the town. For those at risk of flooding in the town, and who have not already done so, please take the opportunity to sign up for our free flood warning service via www.gov.uk/sign-up-for-flood-warnings and use the Tadcaster Flood Action Group website for more localised information on flood risk www.tadcasterfloodaction.org

The Stutton Road “Best Kept Allotment Competition” 10 year anniversary

The winner of the 2018 Best Kept Stutton Road Allotment and recipient of the Clarke Trophy for the second year running is Robert Brown. A “Highly Commended” certificate also went to Claire Smith.

The trophy and highly commended certificate were recently presented at the Coach and Horses by Councillor Steve Cobb.

The Competition is in memory of Roger Clarke who was a long standing allotment holder at the site. Mrs Sandra Clarke, who was at the presentation said. “It is ten years since Roger’s tree was planted outside the allotment and I would like to say a heartfelt thank you to all who contributed towards it. The tree has grown in strength and blooms every Spring. It is a reminder of all the happy times Roger and I spent there.”

Allotment Waiting List

Ever thought of having an allotment? The Town Council provides allotments at two sites - the end of Stutton Road and behind Westfield Crescent. As well as the obvious benefit of growing your own fruit and veg having an allotment is a great way to get outdoors, get fit and meet new people. If you are interested please contact the Council. We currently have a short waiting list so you probably wouldn't have to wait long to start digging!

Tadcaster Christmas Illuminations Fundraising Appeal

Great news for our future illuminations appeal. So far we have received donations totalling £1500, which will be matched by the Council to give a total of £3000.

We have received donations from the following businesses:

Allen's Ironmongers	Bridge Street Dental Practice
Bromets Solicitors	Clayfever
The Chocolate Box	Footlogic
Halifax Building Society	Kirkgate Dental Surgery
Moorhouse Opticians	Rebel Roses
Sainsburys	Sapori di Napoli
Tadcaster Business Centre	Vanilla Interiors

Many more have pledged to donate. We have also received a very generous donation from Tadcaster Methodist Church and donations from individual Councillors and residents. If you or your business would like to make a donation, for this year only the Council will match that amount. For further details please contact us at The Ark.

Tadcaster to host UCI Road World Championships race start

Tadcaster is to host a race start as the UCI Road World Championships comes to Yorkshire next year. The Selby district is also included on the route for other cycling races during the nine-day event, which is set to attract visitors from across the globe.

The UCI Road World Championships is the biggest event in the cycling calendar. Riders compete for their countries rather than for individual race teams. It's the only time this happens outside of the Olympics. This year the championships have been held in Austria, and it was there that the routes for the 2019 event to be held in Yorkshire were announced in September.

Tadcaster is one of four start points for the para-cycling road races to be held on the first day of the championships, Saturday 21 September 2019. Riders will race to Harrogate, which is the finish location for all the World Championship races during the event. The para-cycling races will be one of the qualifiers for the Tokyo 2020 Olympics, so will attract the very best riders. On Friday 27 September 2019, the Selby

district will also see riders involved in the women's junior and men's under-23 road races, as they make their way from Doncaster to Harrogate. These races will come into the district at Kellington, before heading to Monk Fryston, Sherburn-in-Elmet and Tadcaster.

Leader of Selby District Council, Cllr Mark Crane, explained his delight at the area's involvement in such a high profile world sporting event, "What a great opportunity for Tadcaster – and all the other places in our area on race routes. These events will bring with them the very best cyclists in the world and thousands of spectators. It's a fantastic opportunity to show the world what our area has to offer. We know from last year's Tour de Yorkshire that Tadcaster can put on a great show."

Tadcaster Town Council is not wholly responsible for the views expressed in this newsletter, which may be those of various contributors.

Tadcaster leads the way as a STAR (Multi-Academy Trust) is born...

On 1 May 2018 the STAR Multi-Academy Trust (MAT) came into being. This was the culmination of a great deal of work over the last two years and one that we hope will strengthen the existing strong partnership between our 10 schools even further. So what are the benefits? Our schools want to determine their own futures, rather than being 'done to'. The education landscape is fast becoming one where academy trusts are becoming the 'norm' and the capacity of Local Authorities to drive school improvement is diminishing. The culture of our trust is very much one where schools will retain their own distinctiveness but also benefit through collaboration. TGS is a very successful and unique place and by being part of the STAR MAT we will be able to keep it that way!

We want our students to achieve even better outcomes and for all of our schools to become outstanding. We will continue to secure local capacity for school improvement and share best practise. We will provide appropriate levels of challenge and support within the partnership and build on strong existing relationships and high levels of trust. We are near enough to each other to build a strong local partnership, building greater community cohesion, and more common activities across all of our schools, benefiting students as well as our staff. These will include shared approaches to curriculum planning, teaching and learning. Together we want to provide greater opportunities for recruiting new staff, to retain our existing staff, facilitate

leadership development and enhance staff professional development. At a time of reduced funding in schools, our formal partnership can more easily achieve

'better value' and financial stability by having more efficient central and shared services and enabling individual schools within the partnership to focus more resources on teaching, learning and pupil/student support. If you are interested in being a Governor at any of our schools, please contact Martyn Sibley (CEO) at ceo@starmat.uk for more information.
